

Drepung Gomang Sacred Arts Tour Tibetan Merchandise Sale

Lovely Gifts, Holiday Ideas, Unique Treasures

The seven monks of the 2019-2020 tour are weathering the Covid-19 pandemic at Drepung Gomang Center for Engaging Compassion in Louisville, Kentucky, the host of Drepung Gomang tours in the US. It is unlikely that they will be able to travel again before the end of their stay in the country due to the illness.

But you can still help them! Your purchase of the merchandise listed in the following pages helps support the 2000 monks – from children to revered elders – at Drepung Gomang Monastery in India. Buy anything and you enable healthcare for the monks during this challenging time, nutritious food, monastic housing and the excellent education that inspires us when they visit!
